

Archived Vital Records

For information about vital records from May 1848 – 1918 visit the State, Archives web page at <https://nj.gov/state/archives/index.html>

The Archives also holds microfilm copies of births from 1901-1923, marriages from 1901-1940 and deaths from 1901-1940. These materials are available for in-person use only.

Visit the National Center for Health Statistics at <https://www.cdc.gov/nchs/w2w/index.htm> for information on how to request vital records from other states/jurisdictions.

Please note, New Jersey law protects and restricts the release of vital records. Vital records are not public records and cannot be searched online.
