

Cleaning up after Hurricane Isaias

The City of Bridgeton Department of Public Works will be temporarily suspending enforcement of regulations for pick-up of brush/limbs and similar debris for the month of August in an effort to assist residents with cleaning up after hurricane Isaias.

Public Works will be picking up any size storm-related tree limbs, branches, brush and similar debris, request that residents please try to separate anything “chip-able” (8” or less) from larger trees/limbs that will require Public Works to remove with heavy equipment.

All limbs, braches, brush and similar debris should be placed at curbside for pick-up.

Please do not hesitate to call Public Works at (856) 455- 3230 Ext 231 or 279 to request pick-up.

Public Works personnel thank you in advance for your patience and cooperation as they help residents’ city-wide clean-up and recover from Hurricane Isaias.

Thank you
