

Restoration Corps Paid Intern Position

American Littoral Society

An environmental conservation non-profit working to protect New Jersey's coast through watershed and coastal restoration, advocacy, and education.

The Restoration Corps mission is to provide training, education and job skills for the next generation watershed stewards. This is a 7-week program aimed at youth ages 16-24 interested in learning more about environmental stewardship and restoration, giving back to their community, and developing new job skills. American Littoral Society is recruiting 4-5 corps members. All work will be outdoors and hands-on. Most activities will be in the Millville/Vineland/Bridgeton communities.

Part time: 25 hrs/week Tuesday-Thursday

Salary: \$10/hr
