

# ATTENTION!

# ATTENTION!

Over the past 6 months the City of Bridgeton has gone out of its way to help clean up the city, from volunteer street and graveyard cleanups, painting over graffiti, to cleaning up blighted buildings and new trash collection systems. In keeping with this direction of “personal responsibility” I’m giving notice to all business owners, residents, and tenants that as of February 28<sup>th</sup> all littering regulations will be strictly enforced.

All residents and businesses will be responsible for maintaining the front and back of their property to the middle of the street. Please refer to General Littering Regulations for all details.

**This is the short version...**

**If you see any trash in the front of your property, pick it up!!!**

As of **2/28/07** there will be **no warnings**; tickets will be issued to the business, homeowner, landlord and tenant.

Sincerely,

James B. Begley  
Mayor of Bridgeton
