

The Cohanzick Zoo's Marmosets Named!

The City of Bridgeton Recreation Department held a "Name the Marmoset" contest for their new marmoset babies. The marmoset babies were born on February 13, 2007 in the early morning hours to parents, Hermia and Oberon.

We have had an overwhelming response from the community. Over 200 original names were submitted, totaling just over 150 participants. Names like Norebo (the father's name spelled backwards), Tiago, Meekus, and Rommel were among the finalists.

Ultimately, the names picked were **Ahanu**, meaning in Native American "he is laughing", and **Hero**, the name mixing the mother and father's names together.

The winning entries were submitted by **Kyle Saar**, age 5, from Mullica Hill, NJ and **Carlye Weir**, age 18yrs, of Upper Deerfield Twp, NJ. Carlye is freshman at Lebanon Valley College.

The Recreation Department would like to thank the community for all their support. Ahanu and Hero would love for you to come visit them. For directions to our free Zoo go online to www.cityofbridgeton.com or call 856-455-3230 ext 242.
